

SHORT CURRICULUM VITAE

- **Name:** Joseph Meletiadis
- **Nationality:** Greek
- **Date of birth:** 13/07/1975
- **Place of Birth:** Hannover, Germany
- **Address:** Clinical Microbiology Laboratory, Attikon University Hospital, Rimini str., Haidari, Athens 124 62, Greece
- **Contact:** tel.: +30-210-583-1910, Fax: +30-210-532-6421, E-mail address: jmeletiadis@med.uoa.gr

Positions

- **2014-now:** Data coordinator of EUCAST subcommittee for antifungal susceptibility testing
- **2014-now:** Senior Research Scientist, Department of Microbiology and Infectious Diseases, Erasmus Medical Center, Rotterdam, Netherlands
- **2013-now:** Assistant Prof. of Microbiology, Department of Microbiology, Medical School, University of Athens, Greece
- **2009-2014:** Head of Mycology and Serology Unit, Clinical Microbiology Laboratory, Attikon University General Hospital, Athens, Greece
- **2007-2013:** Lecturer in Microbiology, Department of Microbiology, Medical School, University of Athens, Greece
- **2003-2007:** Post-Doctoral fellow. Pharmacogenomics, immunogenomics and toxicogenomics in fungal infections. Pediatric Oncology Branch, National Cancer Institute, Bethesda, MD
- **2002-2003:** Post-Doctoral fellow. Molecular diagnosis of fungal infections. Mycology Research Center, Nijmegen, The Netherlands
- **1998-2002:** Ph. D. in Medical Mycology. In vitro susceptibility and drug interaction modeling in moulds. Department of Medical Microbiology, University Medical Center, Nijmegen, The Netherlands (supervisor Prof. Ben de Pauw)
- **1993-1998:** Bachelor of Science, School of Biology, Aristotle University of Thessaloniki, Thessaloniki, Greece
- **1996-1998:** Graduate researcher in Molecular Biology. Cloning and Expression of the Immediate Early (IE-1) Gene of Human Herpesvirus-6 (HHV-6) in eukaryotic cells. Laboratory of Molecular Biology and General Microbiology, Biology School, Aristotle University of Thessaloniki, Greece.
- **1995-1996:** Pre-graduate researcher. Direct effects of cytokines and corticosteroids on *Candida albicans*. Infectious Disease Lab, Hippokration Hospital of Thessaloniki, Greece.

Fellowships

- **1998-2001:** European Commission fellowship under the Training and Mobility of Research network (EC-TMR-EUROFUNG ERBFMXR-CT970145).
- **2001-2002:** Fellowship of Mycology Research Center, Nijmegen, The Netherlands
- **2003-2007:** National Institutes of Health Fellowship, Bethesda, USA
- **2008-2012:** Marie Curie Reintegration grant (MIRG-2007-CT-20876)
- **2011:** European Society for Clinical Microbiology and Infectious ESCMID Training fellowship 2011, for the research project "Experimental model of invasive aspergillosis for studying the efficacy of combination therapy against azole-resistant *Aspergillus fumigatus* isolates."

Awards

- **2001:** Young investigator award of European Society for Clinical Microbiology and Infectious Diseases
- **2009:** Special award "Antigoni Arseni". Hellenic Society for Clinical Microbiology and Laboratory Diagnosis, 4th Conference of clinical Microbiology and Infectious Diseases, Athens, Greece.

- **2010:** Special award “Sotiris Papastamatis”. Medical Society of Athens. 36th National Medical Conference, Athens, Greece.
- **2010:** ISAP travel grant, International Society of Anti-infective Pharmacology, Post-ICAAC Symposium, Boston, MA, USA.
- **2011:** Special award “Antigoni Arseni”. Hellenic Society for Clinical Microbiology and Laboratory Diagnostics, 5th Conference of clinical Microbiology and Infectious Diseases, Athens, Greece.
- **2011:** Commendation. Hellenic Society for Medical Mycology, 4th Pan-Hellenic Conference of Medical Mycology, Athens, Greece.
- **2012:** Award “Stella Alexiou-Danhil”. 7th Pan-Hellenic Conference of Medical Biopathology, Athens, Greece.
- **2012:** Special commendation “Sotiris Papastamatis”. Medical Society of Athens, 37th National Medical Conference, Athens, Greece.
- **2014:** Special commendation “Sotiris Papastamatis”. Medical Society of Athens, 39th National Medical Conference, Athens, Greece.
- **2015:** ESCMID Research grant 2015 for the project “Determination of pharmacokineticpharmacodynamic breakpoints for voriconazole and posaconazole against *Candida glabrata* and *Candida krusei* in a multicentre study.”
- **2015:** Second award “Sotiris Papastamatis”, Medical Society of Athens. 41st National Medical Conference, Athens, Greece.

Workshops/Courses

Dr. J. Meletiadiis has attended 19 educational one-day and multi-day workshops on different areas of science.

Scientific activities

- Participation in 6 collaborative studies EBGA, EUROFUNG, SCARE, SATURN, AIDA, CO-ACTION.
- Participation in 3 working groups ESCMID PK/PD of Anti-Infectives Study Group-EPASG, ESCMID Fungal Infection Study Group – EFISG, EFISG-ECMM group for Emerging fungal infections Guidelines
- Participation in 3 clinical protocols
- Attendance of various scientific conferences/meetings.
- Editorial board member of the journal Antimicrobial Agents and Chemotherapy (2007-now) and Journal of Antimicrobial chemotherapy (20010-now), reviewer on 9 peer reviewed scientific journals
- Member of 5 medical societies (ESCMID, ASM, EEIM, EAE, ISAP).
- Author of 2 thesis books and 2 chapters in books
- Member of scientific committee of 2 national conferences and co-organizer of 2 international workshop
- Member of 13 hospital committees
- Principal investigator in 15 funded projects with a total budget of €500.000.

Teaching activities

- Lessons in Microbiology, Department of Microbiology, Medical School, University of Athens
- Supervision of 5 students in graduation projects and 5 students in Ph. D. studies.

Presentations in Scientific Conferences

J. Meletiadiis has presented 234 abstracts in International (166) and National (41) Conferences and in symposia/workshops (17) with 30 invited lectures.

Publications in Scientific Journals

91 publications in peer reviewed international scientific journals with 3439 citations (h-index 31, i10-index=53). 3 publications in national journals
